Project #170 Bubbles with Bouncy Bubble Solution!

- You can bounce these bubbles off your clothes!
 - 1 package of unflavoured gelatin (approximately 1 tablespoon)
 - 250 ml (1cup) hot water (previously boiled)
 - 50-70 ml glycerine
 - 250 ml baby shampoo
1. Dissolve the gelatin in the very hot water (adults only)
 2. Add the shampoo and glycerine.
 3. Stir gently. The solution will gel as it cools,
 4. Reheat it carefully in the microwave oven (about 2 minutes)

Activities:

Enjoy your bubbles by using some bubble wands. Try catching the bubbles. Try attaching them to a net if you can very gently.
