### Project #184: Frogs

- Draw an oval shape for the frog's face and body.
- Add some circles on top to form the frog's eyes.
- Draw some leg shapes within the frog's body.
- Extend two more leg shapes to the outer body.
- Add some details and colours to your frog.
- Make various frogs with various leg details so the frog may look like it is hopping or jumping.
- Add a pond with lily pads as frogs often like hide under or sit on lily pads.
- Try cutting out the frog shapes and then gluing them together to form your frog/s
- Make a log for your frog.

Five green and speckled frogs sat on a speckled log

Eating so most delicious bugs, Yum Yum!

On jumped into the pool where it was nice and cool,

Then there were four green speckled frogs, Glub, Glub

Then three, two, one and none (repeat the chant until all frogs are in the pool)
