### Project #208: Thanksgiving Cards

- Fold Construction paper in half to form a card
- Add a copy of a turkey by gluing it to the front of the card.
- Children may then colour it.
- Add some Stickers.
- Glue a small turkey shape inside the card.
- Add some words such as Happy Thanksgiving inside the card along with To: \_\_\_\_\_
- From \_\_\_\_\_,
- Love, \_\_\_\_\_
- Add other drawings as you like.
- Maybe add a photo of yourself.
- You may be able to find some Thanksgiving content for the inside area in stores or on your computer to print out and add to your card.
- Be flexible and children may design their own card/s.

**Activity:** Go to the store and view the many Thanksgiving items that are displayed. Have a nice Family Time for Thanksgiving. Be thankful and practice being thankful to others.
