Project #225 Dinosaur Prints

- If you can find some plastic Dinosaur cookie cutters please use these.
- Sponges in the shape of dinosaurs is another idea.
- If not, create a shape from some card board such as off of a cereal box or regular box.
- Place some paint in a tray.
- Dip your item into the paint and then press the shape onto a piece of construction paper.
- Please allow the children to be free with this art. They may do one or many dinosaurs. One colour or many colours can be used.
- When the paint is dry, children may want to add other details by drawing trees, grass, water etc.
- You may also like to add some texture to your picture using sand, twigs, leaves or other materials.

Song: Dinosaurs Lived Long Ago (chant or pick a tune)

Dinosaurs lived long ago, long ago, long ago

Dinosaurs lived long ago, that's Prehistoric!

Tyranosaurus was very mean, very mean, very mean (growl)

Tyranosaurus was very mean, that's Prehistoric!

Add various dinosaurs and make up some words!
