Project #549: Mother's Day Cards!

- Using a plain Piece of construction paper of any colour or a teapot shaped piece is nice too.
- Fold the paper over in the centre to create two identical sides with a fold in the middle.
- On the front add details such as;
To Mommy, To Grandma etc. These could also be a preprinted insert.
- On the inside as a verse which can be a preprint or anything you would like to say on it.
- Children can colour, draw, use stickers, make prints etc. to design their own details in the card.
- If you make a teapot shaped card, it is nice to put a covered tea bag inside by taping it on.

Song: "I'm a Little Teapot"

I'm a little teapot packed full of love.
Here is my handle, here is my spot.
When I get all steamed up, hear me shout!
I love you Mommy and always will!
