Project #598: Family and Friends!

- Gather some photos of your family and friends.
- Make a collage or a scrapbook with your photos.
- Use large poster boards for the collage if you choose this.
- On your collage, put some happy memories on this by printing or writing some details.
- For the toddlers and younger children these may be in the form of shapes or stickers such as happy, excited, blissful, or things such as hearts for love.
- Add your pets to the collage.
- Also a collage may be made from magazine photos or calendar photos for an in general type of collage or poster.
- Add photos of your community.
- Add some scenery such as trees, flowers, weather etc.
- Make a Family Tree: Use faces on a tree shape for your project!

Book: "Guess How Much I Love You"

A story about a parent who loves his child all the way to the moon and back. The child (rabbit) copies his parent and then falls asleep.
