Project #621: Halloween Songs and Bags!

- Make your own trick or treat bag.
- Have a paper bag available such as a lunch bag or a strong paper bag with a handle
- You may also want to choose a cloth bag.
- Decorate your bag with Halloween stickers and stamps.
- Add some sparkles to the bag.
- Cut out some Halloween shapes from construction paper to glue onto the paper bags. (pumpkins, ghosts, cats, witches, bats etc.)

Activities:

- Bags can be used for "Trick or Treats". Do this at home to start!
- Talk about Halloween Safety such as walking safely, with an adult and check the "Treat Bag" before consuming any of the products placed in the bag. Be sure to go Trick or Treating on a full stomach!
- Sing some songs. (Ideas are attached)
