Ann's Creative Corner Project #631: Winter Clothing Projects!

- Find some catalogue, magazine, calendar or newspaper photos of winter clothing.
- Make a collage by cutting them out and gluing them onto a paper.
- Add some details with the clothing such as a template of a person wearing the clothing.
- Add some texture to your collage such as fabrics, wool or string.
- Some sequins may be nice for this project too.
- Make a cardboard paper doll that you may "Dress" in some paper clothing that you cut out. Add some tabs or laminate the clothing photos of your choice.
- Some magnetic tape could work if you are placing your clothing samples on a metal surface.
- Use shapes of various clothing or printed pages as well.

Activity: Dressing up or dressing your dolls or a manikin with various types of winter clothing.

Chant: "Mary wore her Red Coat"

Mary wore her Red Coat, red coat, red coat

Mary wore her red coat all day long.

Peter wore.....
