### Project #644: Penguin Art!

- Cut out the head and body shape of a penguin
- Cut out a large oval for the body and small oval for the face.
- Cut some small triangles for the beak and feet.
- Glue a small oval on for the face.
- Glue the large oval on for the body.
- Glue the triangles on for the feet and the beak.
- Add some facial features.
- Supply some light cotton for a 3D effect (stretch the cotton balls so it is not too thick and spreads easily)
- Try some sparkles.
- Try white paint with a Qtip.
- Make a Family a penguins.

### Felts or Puppets: "Five Chubby Penguins"

Five Chubby Penguins went out one day.

The first Chubby Penguin Skated away.

The second Chubby Penguin swam in the lake

The third chubby Penguin ate and ate.

The fourth chubby Penguin ran to the gate.

The fifth Chubby penguin said oh dear, it is getting late!
