Project #662: Family Day Collage!

- Create a family day collage of your family and friends.
- Look for photos of your family and friends that you will be able to use in a collage.
- Glue onto a poster board with a glue stick.
Do this activity as a group project with family and friends.
- Add details to this with felt markers, pencils or crayons
- Sign your name or draw part of your name if leaning to write.
- Add some stickers such as hearts and other friendly sticks.
- Try using some stamps.
- Children may also want to draw the family and friends.

Activity/s: Do a family and Friend outing such as:

- Picnic
- Walk
- Shop
- Playground
- Movie
